**Equipment and Facilities**

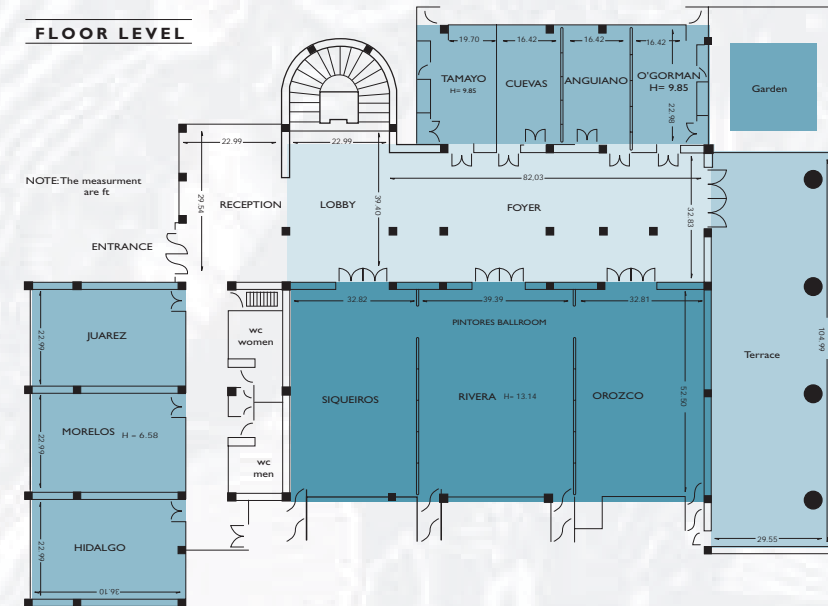

The technical details required in today's meeting world were also integrated into the planning of the Convention Center. It offers built-in installations for rear screen projection in 3 x 4 and 3 x 3 formats, direct access to the resorts network with LAN and WAN, Internet connection through a wide bandwidth dedicated server, a proprietary communications system with dedicated link, and capabilities for Tele-conferencing. Every room has computerized dimmers to provide the exact illumination for every event. With integrated sound and independent air conditioning systems our state of the art installations make for comfortable and successful meetings.

Located in Marina Vallarta 10 minutes from the airport and 15 minutes from downtown.

280 rooms and suites with spectacular ocean view, four restaurants, three bars, swim-up bars, complete fitness center, four swimming pools, watersports and Westin Kid's Club.

Whatever the event you are planning-whether a small seminar or a convention attended by 800 people-one of the hotel's qualified specialists will take every step to insure its success.
